

ESPAÑOL II PBT CAPÍTULO 10 - MINI-CUENTA

You will write a short-story about imaginary trip you took in the past. The trip was taken to a Spanish-speaking country (see the map activity we did at the beginning of the year for your options). Your story must have at least **10 different verbs** and **10 vocabulary words from this chapter**. You must also use **authentic** sites (specific museums, cities, beaches, mountains, lakes, etc.) that are in that country. Since it is a story, you must have **5 images** - you may use magazines, actual photos from a trip, or images from the internet. If you are feeling creative, it is perfectly fine to draw your images, just remember you will be assessed on neatness, so if you are not artistic (like me...) then I would use a different source. Please remember that while images are important, **the content of your story should be your first priority**.

The calendar for this project is specific and is outlined below:

- Day 1 – Research for story.
- Day 2 – Write draft of story.
- Day 3 – Peer edit & write final copy
- Day 4 – Finish final booklet, due by the end of class.

You may use other words and phrases but the story **MUST HAVE** the following:

<input type="checkbox"/> 5 steps (at least) in the airport with airport vocabulary (Can be more than one page)
<input type="checkbox"/> The currency of the country (name, exchange rate to USD, photo OR description)
<input type="checkbox"/> 2 weather expressions (past tense)
<input type="checkbox"/> 3 special places of interest authentic to the country you are choosing to research (beach, zoo, park, museum, theater, restaurant etc.) – where you went and what you did at each (be specific!)
<input type="checkbox"/> 3 trip expressions – at least one positive ☺ and one negative ☹
<input type="checkbox"/> 1 Medio de transporte in the country (you may want to research how people get around in that particular area)
<input type="checkbox"/> 10 Verbs from the unit (including car/gar/zar verbs) – (ir, llegar, facturar, recoger, pasear, esquiar, salir, desembarcar, ver, visitar, viajar, regresar, sacar fotos, pagar, comprar, conocer la ciudad, etc..)
<input type="checkbox"/> 10 vocabulary words from the unit

Because it is a story, you may want to include previously learned vocabulary and things from this list (these things earn you creativity points!)

To help you build the story and create “flow” – USE Transiciones:

Después (de),	<i>after</i>	Entonces,	<i>then/so</i>
Antes (de),	<i>before</i>	Ayer	<i>yesterday</i>
Al principio,	<i>at first</i>	El año pasado	<i>last year</i>
Por fin,	<i>at last, finally</i>	También	<i>also</i>
Durante	<i>during</i>	Además,	<i>in addition</i>
Primero,	<i>first</i>	Pero	<i>but</i>
Luego/más tarde,	<i>later</i>	En fin,	<i>in the end</i>
De repente,	<i>suddenly</i>		

****The use of an internet translator or other person to assist with the completion of the Project will result in a ZERO. No exceptions. Use what YOU know.**
